**LETTER TO THE PATENT AND TRADEMARK OFFICE**

The Power of Attorney filed by the undersigned on February 12, 2008 in the above-referenced matter was done so in error. Whitmire Micro-Gen Research Laboratories, Inc. is not the assignee of this patent<sup>1</sup> and therefore does not have the ability to change the Power of Attorney. In other words, the Power of Attorney filed on February 12, 2008 was ineffective.

Thus, neither the Power of Attorney nor the correspondence address for this patent should have been changed as a result of the February 12, 2008 filing. In view of this error, the undersigned respectfully requests that the Patent and Trademark Office reinstate the correct Power of Attorney and correspondence address for this patent, which were in effect before the February 12 filing.

<sup>1</sup> S.C. Johnson & Son, Inc. of Racine Wisconsin is the proper assignee.

The Office is asked to telephone the undersigned with any questions regarding this matter. Please accept my apologies for any confusion and inconvenience this error may have caused.

Respectfully submitted,

/Richard L. Bridge/
